

Sisterhood Sampler Block 8

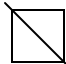

Laurie

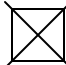

Laurie came dancing in to Seven Sisters Quilt Shop one day with her sister Leslie, delivering **The Country Register**. Laurie looked around at the fabric and the quilts and was fascinated. Her creative heart began beating wildly and she knew it was time to begin, that very day in fact. Whenever Laurie and Leslie stop in to the quilt shop, a party begins. Laurie loves everyone she meets and never tries to hide it. She is generous with her compliments and can make everyone around her feel cherished. She bubbles with laughter and stories and fun. Laurie claims she and Leslie are really two long-lost sisters and should be counted among the seven. Nine Sisters Quilt Shop? A lovely thought!
