

I have shared quite a few ghost amigurumi patterns this Halloween, but a puppy amigurumi pattern in a ghost costume was quite shocking for me. I really liked the design of the head of the little dog holding a pumpkin bag in its mouth. The dog has ears that are made asymmetrically. I also really liked the hole design of the ghost costume's eyes.

Halloween Puppy Amigurumi Pattern

One of the few parts that you will have difficulty in making an amigurumi toy is the design of the eye holes in this costume. Now if you are ready, let's start and prepare these toys for Halloween.

Assembly Sequence

1. Put a nose on the head (between R1-2 of the head) and put clothes on it.
2. Put eyes in two holes.
3. Ear connection
4. Make pleats of clothes
5. Pumpkin Basket Connection

Make pleats of clothes

See Fig. on the next page. Use yarn from clothes.

1. Mark the cardinal points.

2. Start at the near side and sew. (Between R2-3 from the bottom)

3. After passing the thread from inside to outside of the clothes, Move one stitch to the side and repeat the process of passing back inside.

4. Pull the yarn to create the desired amount of pleats.
